Dear Parent/Caregiver

Welcome to Winton School. We hope that your association with the school is both pleasant and rewarding.

At Winton School we actively promote a “family-type” atmosphere, where there is an environment of trust, sharing and respect for others; and where children feel secure, enjoy success and want to be involved in the exciting learning opportunities that the school offers.

We like to think we are accessible and approachable, and actively promote our policy, where we hope parents feel free to come and discuss queries or concerns that they may have regarding their child’s academic or social development.

One of the greatest strengths we have is the high level of support we receive from parents and the wider community. This support, and an attitude of working together, enables us to successfully achieve our shared vision.....

*Winton School is a place where all students are encouraged and challenged to strive for personal excellence in a wide range of academic, social, cultural and physical activities. Through effective governance, high quality teaching, high expectations and a strong home-school partnership, we aim to help our students to become confident, connected and actively involved lifelong learners.*

### **Absence from School**

By regulation, children are required to attend school unless prevented by illness or some special home circumstances. If your child is absent, please ring or email the school office or enter the absence directly onto HERO(student management system) before 9:00am. If the school has not been notified of an absence, the Office Manager will call home to confirm the absence.

### **Assemblies**

Every third Friday the community is invited along to be a part of our whole school assembly. These start at 2pm and take place in the School Hall. It is a chance for us all to share and celebrate student achievement, listen to messages and sing.

### **Bus Transport**

Our bus contractor is Go Bus. Pupils who go home on the bus are marked off a register by a teacher on duty. If your child is not going home on the bus, please let the office know.

### **Car Parks**

Pupil safety is the prime concern. Please do not use the staff car parks or the bus parks for dropping off or picking up your child. There is, however, a disabled car park outside the school office for those who require it.

### **Contact Details**

Please notify the school office if your address or telephone number, home or work, changes. Also, if the contact details for your emergency contacts change too. This information is vital in case of an emergency.

### **Cycling/Scooters**

If coming to school by bike, we ask that that you wear a helmet and a hi-vis vest, which is provided by the school. There are covered bike and scooter stands at the front entrance of the school and bike and scooter stands beside and behind Room 13 near the Clyde Street entrance. Children are to walk their bikes and scooters on the school grounds.

### **Dental Clinic**

There is a Dental Clinic on our grounds, which is open most of the year. If you need to contact the Dental Therapist please phone 03 236 7104.

### **Education Outside the Classroom (EOTC)**

Educational visits and camps are planned as part of the teaching and learning programme. We endeavour to keep costs to a minimum. Buses are usually the preferred form of transport, but occasionally, parent transport may be requested.

|-------------|-----------------|
| • Years 1-3 | Day trips       |
| • Year 5    | Camp Columba    |
| • Year 6    | Queenstown Camp |
| • Year 7    | Stewart Island  |
| • Year 8    | Deep Cove       |

### **Enrolling Pupils**

For new entrants, we require a copy of a birth certificate or passport and an immunisation certificate. New entrants will have school visits prior to starting. These can be arranged by contacting the N/E teacher Miss Gentle either at school or email [janelle@winton.school.nz](mailto:janelle@winton.school.nz)

If you wish a visit to the school to discuss a pupil's transition and for a guided tour prior to a pupil starting please speak to the Principal regarding this.

### **Enrolment Scheme**

Winton School operates an enrolment scheme. Out of Zone places will be advertised in the local newspaper when available. Pupils who wish to enrol at our school and live outside the school's 'zone' need to apply in writing. If the number of 'out of zone' pupils exceeds the number of places available in a term, a ballot system will decide who is able to enrol.

### **Enrolment Zone**

A copy of the zone boundaries can be obtained from the school office.

### **Exiting School**

All children who leave school during school hours need to have the reason recorded at the office. A Vistab tablet is held at the office and the information must be entered by the person who is collecting the student before their departure.

### **HERO**

HERO is the School's Student Management System. All parents need to download the app <https://hero.linc-ed.com/parents/> then set their own password to get started. From here they can notify the school of a student absence, view student learning stories, progress reports and goals, school notices, survey and trip permissions, school term dates and calendar of events and student accounts.

### **Homework**

Some form of homework is given. At the junior level, homework will consist of bringing home a reading book to share with parents, some spelling and maybe some follow-up activities. At a more senior level, specific learning tasks are encouraged e.g. spelling, basic number facts and multiplication tables. We believe that a child who has completed a full day's work at school ought to have time to develop as a child at home. Homework ought not to cause pupils or parents distress. If this occurs, the homework is better put aside and discussed with the teacher at a convenient time.

### **Insurance**

While the Board has a comprehensive insurance policy for school belongings, exorbitant costs prevent us from covering pupil's personal property at school. We therefore ask that you do not let your child bring 'desirable' or valuable items to school.

### **Lost Property**

Parents are asked to name all children's clothing and property and to encourage children to be accountable for their belongings.

Clothing and shoes for which owners cannot be found will be placed in the 'Lost Property' cupboard located in the school hall. At the end of each term, unclaimed clothing is donated to the PTA second hand uniform shop.

## **Lunches**

- Lunch orders are available on Tuesdays from Subway and Thursdays from the Winton Bakery. Information on ordering and price lists are on the school website. Lunch packs can also be ordered from The Big White Shop.
- Every Friday the PTA provides sausages in bread for \$2.00. You may be asked to help out at some point with barbecue duty.
- A pie warmer is provided to heat up food. Food is collected from each classroom in the mornings and delivered back to the classrooms at lunchtime. Please note it is a warmer only so **do not send frozen food items to be placed in the pie warmer.**

## **Money**

When sending money to the school, please place it in a sealed envelope with your child's name, room number, amount and what it is for, clearly marked on the front. Please encourage your child to hand it into the school office as soon as they get to school.

## **Newsletter**

A school newsletter is produced every second Wednesday. The newsletter is an important way to communicate to the home the events and achievements of the school. School newsletters are sent home via HERO and are also available to view on the school website [www.winton.school.nz](http://www.winton.school.nz)

## **Reporting to Parents/Caregivers**

Children's progress is communicated to parents in the following ways; Meet the Teacher, Learner Conferences, mid year and end of year reports. Our school also operates an 'open door' policy where teachers are readily accessible to parents/caregivers. This will facilitate informal reporting.

Newsletters are posted on the school website and sent home via HERO every second Wednesday.

Community Assemblies - Every third Friday, the community is invited along to be a part of our whole school assembly. This is a chance for us all to celebrate achievement within our learning community.

Website / Blogs / FaceBook / HERO programme helps our community to stay in touch with class and school happenings.

Parents can download HERO, <https://hero.linc-ed.com/parents/> to view community notifications and always be informed of our events and cancellations.

### **School Activities**

- School Librarians

### **School Property** *(Damage or Loss)*

We have a responsibility to the community for school resources. Fortunately, the majority of children at our school respect and care for school property. On occasions, however, thoughtless or careless action causes damage to property, which must be paid for from money, which would be more profitably spent on teaching resources. If school property is damaged as a result of willful damage and/or blatant disobedience of a direct instruction or school rule by a student, then an account for the cost of repairs or replacement will be sent to the parents of the child/ren responsible.

### **School Stationery**

School stationery lists for each year group are sent home with the student's End of Year Report.

### **School Uniform**

Winton School has a compulsory school uniform. Details are available from the school office and on the school website. ### **Support Services**

Specialist services such as a counsellor, the Public Health Nurse, Resource Teachers of Learning and Behaviour, Resource Teachers of Literacy, Special Education Personnel, and Speech Language Therapists visit the school on a regular basis. If parents would like to seek their advice or assistance, contact the school.

### **Unwell Children at School**

Parents should not send unwell children to school. We are equipped to handle minor injuries that occur at school. In the event of an accident or serious illness, the Principal or teacher in charge will act in 'loco parentis' to arrange for medical treatment if parents cannot be contacted. Please ensure that we have your up-to-date phone numbers and emergency numbers. If the illness appears to be of a minor temporary nature, children will be monitored and parents contacted if there is no improvement. If parents wish children who are recovering from an illness to be exempt from sport or fitness, a note must be written to the teacher.

Children who have a contagious condition such as headlice or school sores **MUST** stay at home until properly treated.

### **Visiting Artists/Performers**

As part of our cultural programme, reputable visiting artists will, from time to time, be invited to perform at the school. The school subsidises some of the costs involved with these visits but there may sometimes be a small cost to students.

### **Weka After School Care Programme (OSCAR)**

Weka's OSCAR programme provides quality, safe, accessible, and affordable care and recreational opportunities for the local Winton children. The programme aims to provide children in the 5-13 years age group with well-supervised, structured, safe, holistic approaches and enjoyable learning opportunities. Each individual will be valued for his or her own qualities and attributes. The programme will include organised and self directed times, incorporating art and craft activities, games and sports, homework, baking, free play, and off-site excursions.
