2023 School Movie Proposal – Discussed under general business

General Business

Winton Open Day- 19 November

After a few hiccups, Jane has organised a trailer load of firewood donated by Peter Kane. Suzan is organising the ticket board and a rough timetable has been sorted for people to sell tickets during the day. Thanks to everyone that is helping with this, as the clash with Southland Athletics has made it challenging.

Year 8 BBQ - Tuesday 13th December

Mel, Kelly and Brenda are taking the lead in organising this. Bridgett to set up separate chat/working group for this.

Will need confirmation of numbers for catering purposed as numbers this year are higher than last and we are not under covid restrictions.

Prizegiving - Wednesday 14th December

Bridgett has already ordered the Trumpet ice creams (216) and they in the freezer at school. Will also sell bottles of water and discussed selling lemonade ice blocks too for those who were not ice cream fans. Bridgett to order 100 lemonade ice blocks and 100 bottles of water for prizegiving.

Will need to arrange how to get the freezer to CSC – possibly in Suzan’s van as we have in the past. Suggestion was also made that we have 2 stations/tables set up as the new foyer is quite large to help reduce crowding.

School Movie Proposal

Next year school will be working on producing a feature length movie rather than a stage show production. The movie will be about 1.5 hours long, with a fantasy/adventure theme (similar to the lord of the rings). All students at Winton School will feature in it with some having lead roles.

Filming will be mostly done during school time in term 1, with some weekend and holiday filming required for lead parts. Assistance will be provided by Active Southland in terms of equipment and expertise in producing. The film will be completed at the end of the year with a large opening night planned.

The rough budget Steve is currently working towards is 20k, with the intention to make as much of this money back when the film is shown. Additional funding may be required along the way, either through grants, sponsorship or the PTA. At this stage Steve is asking if this is something the PTA would be keen to support. At present the amount of funding required has not been confirmed, but will be if additional funds are needed.

Fundraising

Masked Singer

After Steve spoke about the school movie proposal, there was some informal discussion about the need to hold a fundraiser so we could contribute to this project. Many of the committee are still keen to see the Masked Singer event happen, especially since there has been so much work already put in already.

Will reconvene early term 1 to discuss more fully, as this would be a good time of year to hold an event.

Touch Rugby Tournament Fundraising

Megs mentioned that at a recent touch tournament in Invercargill that there was no food available and could be an opportunity for the PTA to do a BBQ for fundraising. There is another tournament coming up in Feb 2023 so Megs will look into this.
