Oyster Raffle - 189 cards printed and distributed to the oldest family member at school (one card per family). 10 tickets per card at \$5 each ticket. A total of 172 cards either sold, partially sold or unsold came back. Cards were given to Jacs who named and numbered them. Jacs kept a list in the office & updated this as the cards were returned. She did a fabulous job of this and knew what cards were missing. We distributed cards two weeks before term 1 holiday break, to be returned on the Monday school went back. We had one week to chase up missing cards before we drew the raffle the following Tuesday. The oysters were collected on Wednesday and delivered/picked up Wednesday and Thursday. Draw was done at the police station under supervision, as required by law. Missing cards were not in the draw and we used the police station's computer program to draw the numbers. Winners were contacted by text message Tuesday night. Organised most winners to collect from school on Thursday at pick up which worked well. Raffle cards were disposed of.

Gift for New Students Have decided to go ahead with the red summer hat and add this to the current starter pack that all children get when they start Winton School. The packs are \$10 and Jacs will invoice the PTA for the packs and hats as they are given out at the start of the child's school visits. Me/Wendyl will sort the printing of the tags to be attached to the hats and packs to say they are from the PTA and Jacs will attach these as she gives them out.

Grip Donation - See attached thank you card from the year 8's for the Grip donation.

Leavers Jerseys - Have approved to fund these again this year and they are due to receive them in term 3.

Juicies Still some in the freezer, so will continue to sell them this term until they run out. Cutting them in half seems to be working well.

Meeting Closed: 8.30pm

Next Meeting: Tuesday 10th June 2025 - *reminder to be sent out a week before.*

What's Happening?

- Firstly, a huge well done to everyone involved in the admin of the recent Oyster Raffle.
- Thanks again for funding the Year 8 GRIP Conference tickets. They have made a lovely Thank You card.
- I had a wonderful time in Canada at the end of Term 2 / holidays. I attended an educational leadership conference in Banff. Enjoyed tripping around – stunning scenery.
- Has been a good start to the term.
- Thank you for making alternative arrangements for your children last Friday. We had a great Staff Only Day with a Mathematics focus. The MOE have given us 2 more days (both next year).
- Support Staff Day this Friday. Support Staff Week at Winton School! - morning teas every day.
- Superhero Mufti Day this Thursday.
- We have our final Electives session (for this round) this Friday. It will be starting up again in Term 3.
- Cross Country training is in full swing. Both the Junior and Senior events with St Thomas taking place next week.
- Registrations for our 155th Jubilee Committee went live in Week 1 this term. There is a FB page. A promotional video will be posted soon. Unfortunately a member of the public has complained about our signs. The SDC would like us to take them down, then up again 6 weeks out from the event.
- I am currently advertising for a New Entrant teaching position for the start of Term 3.
- Property matters:
 - We have had 6 CCTV cameras installed around the school.
 - Pump Track – after getting consent, this project will more than likely begin after the Winter months.
 - A property modifications project (ramp / drains/doors, lift, etc) \ will be starting in 2 weeks.

To the Winton School PTA

On behalf of all the Year 8's, we would like to thank you for your generous contribution, giving everyone the opportunity to attend the GRIP Leadership Course. It was an amazing experience, and we all learnt a lot of great things on how to be a good leader.

One of the things we learnt was the responsibilities of a student leader. We have to be willing to do what the school needs and be a positive voice for others. We also learnt that conversations are more effective than instructions, and sharing responsibilities are more important than showing off responsibilities.

We also did a fun movie clip quiz, where they showed us clips of certain movies. We had to write down an option of how the characters were being a good leader and helping the people around them.

Once again, we would like to thank you for funding our GRIP Leadership Course. We really enjoyed it, and it was a valuable experience for us all.

Yours sincerely

The Year 8's at Winton School
